Georgia Primary Bank Expands Their Footprint to North Fulton and Forsyth Markets: Opens Loan Production Office in Cumming, Georgia

March 16, 2018 – (Atlanta, Georgia) - Georgia Primary Bank, a community bank headquartered in North Atlanta, recently expanded its footprint into the North Fulton and Forsyth markets with the opening of a loan production office (LPO) in Cumming, Georgia. The new office, located at 416 Pirkle Ferry Rd building K, suite 400, (404-504-8333), will be led by Executive Vice President and Market President for the North Fulton and Forsyth markets, Andrew (Drew) Walker, Jr. Walker is a seasoned banker with a broad background of community banking experience.

The LPO will offer a full suite of competitive business and consumer lending services including Small Business Association (SBA) Lending. Georgia Primary Bank is an SBA Preferred Lender.

We are extremely excited about the opportunity to open a loan production office in Cumming, Georgia,” said David R. Coxon, President and CEO of Georgia Primary Bank. “As a local bank, we want to make an investment in the community and key people in the market. We want to help the commercial and small business community thrive and invest in the people by hiring local. Drew Walker’s roots are in this dynamic market. Not only has he worked professionally in these markets for years, he is also very active in both civic and community affairs. We are confident in Drew’s ability to strengthen our commitment to one of the fastest growing areas of our state. We look forward to being a part of the community”.

Currently, the Georgia Primary Bank Loan Production Office hours are daily from 9:00 am to 4:00 pm by appointment. All bank products and services can be found at www.georgiaprimarybank.com.

Georgia Primary Bank is a personal service community bank serving Atlanta area business and personal banking customers. Organized and opened in 2007, the bank provides a broad range of traditional banking services and augments these services through remote access as well as providing today’s latest technology products.
